

Men's Costume Guide

2019-2020 Parade Season

Welcome or “Beinvenido”

To the Official Guidelines for the men’s costumes for the
Spirit of Cigar City Krewe.

Please keep in mind when you are choosing and putting together your costume that we are a “Parade” Krewe. We are on display to thousands of parade goers, often being judged and/or televised. Please try to make your costume as tasteful as possible. We want you to show off and have fun, so please add your personal touches.

We hope that these designs will offer you the opportunity to be versatile and will be comfortable to wear as well as be great to look at and display the “Spirit” of our Krewe.

Our costume theme will be “Latin” in flavor; hopefully capturing the essence of Ybor City and Tampa by focusing on its rich, ethnic background and colorful history.

We have listed websites, pattern numbers and pictures to help you with your costume selection. If you have any questions regarding your costume, please contact Jeremy Tabak at pairomedics@tampabay.rr.com.

Please Note: For the St Patrick’s Parade in Ybor City **ONLY – Krewe members and guests are permitted to wear St Patrick’s hats, green shirts (shirts must be in compliance with current costume guidelines) and other St. Patrick accessories.**

*****Spirit of Cigar City Krewe members who are not in costume compliance during parades may be subject to fine(s), removal from parade route, membership suspension and/or membership termination.*****
